OPEN CLASS

PLEASE NOTE THAT THE HEAD OF THE LAKES FAIR AND THE FAIR'S MANAGEMENT GROUP WILL NOT BE RESPONSIBLE FOR THE LOSS, DAMAGES OR INJURY TO EXHIBITS OR EXHIBITORS

Open class is for youth and adult exhibitors. However, youth are encouraged to enter their projects, which they created into Junior Fair. If they enter projects in open class, they will be judged against exhibitors of any age. They also need to understand that judging in Open class is different than in Junior class, in that there are only four placings in any given lot even if more than four items are entered in the lot, whereas in Junior class all items will get a placing, (if not otherwise disqualified for some reason), even if more than four items are entered in the lot.

For Open Class:

- •All exhibits must be the result of the labor of the person exhibiting.
- •No items which have been judged previously at the Head of the Lakes Fair may be entered again.
- •All open class fair entries are judged using the American System.
- •No exhibits shall be paid more than one premium under any one lot number.
- •No premiums are awarded to specimens or exhibits deemed not worthy by the judges.
- •Small items may be packaged in zippered bags.
- •Be sure to check the specific instructions under each department for further requirements.
- •"Any other article or exhibit" cannot be a duplicate of another lot number. It can only be an exhibit that does not fit in any other lot number.
- •In classes where the number of entries is three or less, the judge shall use his/her discretion as to whether the ranking exhibits shall be awarded first, second, third, or fourth premiums.
- •All entries must be registered online or paper registration forms must be received by mail or in the fair office by midnight on .
- **•All entries must be brought to the fairgrounds on Tuesday, July 21, 2026 between 12 noon and 6 PM, *with the exception of* Departments 14-Plant and Soil Sciences, 15Flowers and House Plants and 25-Foods and Nutrition. Departments 14, 15 and 25 exhibits *may* be brought to the fairgrounds between 10 am and noon on Wednesday of the fair to maintain freshness before judging. If desired, Departments 14, 15 and 25 may also be dropped off during the time other exhibits are brought in on Tuesday between noon and 6 p.m.**
- •All entries must be pre-registered. No registrations will be accepted the day of the fair.

LIVESTOCK EXHIBITS

- •Dairy, Beef, Swine, Sheep, and Goats must be on the fairgrounds by 5 PM on entry day Tuesday.
  Poultry and Rabbits must be on the fairgrounds by 5:00pm on entry day Tuesday.
- •Before unloading livestock find the superintendent of the respective barn to see what paperwork is required before unloading.
- •Entries will be governed by the state health rules for livestock exhibits.
- •Animals brought in for the Department 10 Animal Science need to be brought in at the time indicated on the open class judging schedule and they must be taken home immediately afterward.

- No animal entered for exhibition, unless noted otherwise in these guidelines, shall be removed before 9 PM (Saturday)on the last day of the fair without written consent of the barn superintendent and fair manager. Any violation of this rule may result in a forfeit of premiums. All animals must be off the fairground by 1:00pm on Sunday.
- The Fair reserves the right to refuse to pay any premium on any livestock exhibit in this department which has not been exhibited in the show ring, at the request of the judge or his assistants, by the actual owner or feeder through the year, of said exhibit. This includes calves and sheep.
- Exhibitors and visitors will be prohibited from handling livestock other than their own without consent of the owners.

EXHIBITOR AND OBSERVER GUIDELINES DURING JUDGING

During judging, exhibitors and non-participating observers are permitted to watch the judge making his or her decisions. However, exhibitors and observers are not to interrupt the judging in process. Questions may be asked of the superintendent after the class has been judged, and then the judge is to explain the process in question. If you interrupt during judging, your entries in that department will be disqualified and all your entries in the fair may be disqualified.
